

Drugs for Neglected Diseases *initiative*

Meeting of Pan-Asian Network for Neglected Diseases
Shanghai Institute of Materia Medica • 4th-6th June 2007
DRAFT AGENDA

Pan-Asian Network for Neglected Diseases (PAN4ND)

4th – 6th June 2007, Shanghai

DAY 1: 4th June

2nd Annual Meeting of the Pan-Asian Screening Network

9.00 to 12.00 pm

PASN Steering Committee meeting

Participants: PASN steering committee members

Agenda of the PASN Steering Committee meeting

1. Welcome
2. Introduction
3. Sasakawa Peace Foundation feedback
4. Steering Committee terms of references
 - chair and co-chair elect
 - new memberships
5. Review progress of activities and next steps
 - research manual
 - training
 - website
6. Training programme
7. Review potential for collaborative research
8. Action plan + Long Term Vision
9. Plan for next meeting

12:00 pm to 1:30 pm

Lunch (in Pine City Hotel)

1:30 pm to 5:00 pm

Network scientific presentations

*Participants: members from the different institutions, invited participants
DNDi, SIMM*

- Dr Jean-Robert Ioset, DNDi, Switzerland

Update on the activities of the Pan-Asian Screening Network

- Dr Philip Bernstein, Institut Pasteur, Korea

Screening Platform at Institut Pasteur Korea

- Dr David Beer, NITD, Singapore

Integration of DMPK assays at an early stage of R&D

**Meeting of Pan-Asian Network for Neglected Diseases
Shanghai Institute of Materia Medica • 4th-6th June 2007
DRAFT AGENDA**

- Dr S. K. Puri, CDRI, India
Screening of Natural Products at CDRI
- Prof Haruki Yamada/Dr Kazuhiro Otoguro, Kitasato Institute, Japan
Antiprotozoal Natural Product screening at Kitasato

3:30- 3:50 pm
Tea break

- Dr Mohd Ihlam Bin Adenan, FRIM, Malaysia
Natural Products screening at FRIM

- Prof Yang Ye, SIMM, China
Natural Products discovery at SIMM

5:00 to 6:30 pm
Welcome Reception

7:00 pm
Informal dinner at Jade Garden Restaurant

**DAY 2: 5th June
Natural Product symposium**

Participants: members from the different institutions, DNDi, SIMM, invited participants

9:00 am to 12.00 am
Selection and Process of Natural Resources: strategies for selection, extraction, bio-guided fractionation, separation and dereplication

- Prof Haruki Yamada, Kitasato Institute, Japan
Natural Products programmes at Kitasato
- Prof. W. Zhang, Shanghai 2nd Military Medical University, China
Natural Products programmes at Shanghai 2nd Military Medical University

10:15 am to 10:45 am
Tee break

- Dr David Appleton, MerLion Pharmaceuticals, Singapore
Addressing the Challenges of Natural Products Drug Discovery

Drugs for Neglected Diseases *initiative*

**Meeting of Pan-Asian Network for Neglected Diseases
Shanghai Institute of Materia Medica • 4th-6th June 2007
DRAFT AGENDA**

- Dr Rohan Davis, Griffith University, Australia
Natural Products Discovery at Eskitis

12:00 pm to 1:30 pm
Lunch

1:30 to 3:15 pm
Natural Products for Neglected Diseases: building bridges

- Prof Simon L. Croft, DNDi, Switzerland
Natural Products for Neglected Diseases

- Dr Ian Bathurst, MMV, Switzerland
Natural Products for Malaria

- Dr G. N. Qazi, Regional Research Laboratory, Jammu, India
Natural Products network and R&D in India

3:15 to 3:45 pm
Tea break

3:45 to 5:30 pm
Screening Innovations and Strategies

- Dr Philip Bernstein, Institut Pasteur, Korea
Innovative screening techniques at IPK

- Dr. Paul Zhou, Institut Pasteur Shanghai, China
Recent work on lentiviral pseudotypes

- Dr. J. Zuo, Shanghai Institute of Material Medica, China
Antiviral related screenings in SIMM

7:00 pm
Dinner

DAY 3: 6th June

8:30 – 11:30 pm
Natural Substances Discovery and Development - Discussion

Drugs for Neglected Diseases *initiative*

**Meeting of Pan-Asian Network for Neglected Diseases
Shanghai Institute of Materia Medica • 4th-6th June 2007
DRAFT AGENDA**

Participants: members from the different institutions, DNDi, SIMM, invited participants

Agenda

1. Brief introduction
2. Discussion on draft framework document
3. Identification of other potential collaborators working in Natural Substances in the areas of sourcing, extraction, compound identification and characterization, ADME, and toxicology
4. Discussion of draft Agenda for Annual meeting in November 2007 – identification of focus areas and prioritization
5. Establishment of an ad-hoc steering committee
6. Close

Followed by informal meeting of steering committee

12:30 pm
Lunch

1:30 – 2:15 pm
Transfer from SIAS to SIMM

2:15 – 3:30 pm
Introduction to and tour of SIMM

3:30 pm
Transfer to Yu Garden

6:30-8:30 pm
Dinner in Lu-Bo-Lang
